

## **Kelly Lima**

### **Telamon Insurance & Financial Network**

### **Key Account Executive and Plan Design Specialist**

Kelly Lima is a Key Account Executive and Plan Design Specialist for Telamon Insurance & Financial Network. She began her career in the health insurance industry over 9 years ago implementing Retirement Plans. Kelly concentrates on servicing clients and building lasting relationships. Kelly is a Healthcare Reform expert and works primarily designing, implementing, and educating clients and employees on High Deductible Health Plans. Kelly understands the necessity of maintaining a high level of benefit for employees and the importance for employers to control costs. Mrs. Lima is responsible for Telamon's Key Accounts and works on building new relationships with business owners. Kelly is married, the mother of one daughter, and resides in Grafton, MA where she enjoys her two dogs and two cats.

Not all Insurance Professionals are created equal. In today's turbulent market you need an advisor, an advocate, someone who will show you what others won't, and is willing to do what it takes to satisfy the changing needs of your business. An Insurance Advisor must supply expertise that will not only save your company money but will facilitate the administrative challenges of Employee Benefits.
